

What Is

JAZZ

Jazz/Funk Explosion

Jazz Dance is a fun and energetic dance style that allows students to express themselves through movement and music.

Our classes are designed for dancers who are looking to have a great time while learning new dance techniques and choreography.

In our Jazz Dance classes, we groove to popular music from the charts, keeping the atmosphere lively and engaging. The upbeat tempo and catchy rhythms will keep you energized throughout the class. Whether it's the latest hits or classic favorites, we make sure to select music that will get you moving and grooving.

Our experienced instructors incorporate a mix of contemporary and age-appropriate video clip style choreography into the class.

This allows students to learn and practice dance routines that are popular and relevant to today's dance scene. You'll have the opportunity to learn and perform exciting choreography that will challenge and inspire you.

At Jdance, we believe in creating a welcoming and inclusive environment. We encourage our students to bring their own creativity and individuality to the dance floor. We even take music requests, allowing you to dance to your favorite songs and explore different styles of jazz dance.
